\* These sugars are 'natural sugars', which occur in foods such as fruit. Although all sugars can cause tooth decay, fruit has many benefits. Try to restrict foods high in natural sugar to mealtimes only, and cut down on foods high in 'added sugar' such as sweets, cakes and biscuits.

## Handy Hints

- Try using frozen strawberries and miss out the ice cubes.
- Frozen strawberries are cheaper out of season and will still count towards your 5 a day.
